

TOUNDRIGO

Job Offer | Equipment Manager Outdoor Adventure Tour

Description

Toundrigo is a group of travel enthusiasts in Canada and the United States who have made their passion their profession. Our group is made up of 5 brands, 5 strong identities that operate in the world of adventure travel, group travel, individual travel and incentive travel.

We are currently looking for a equipment manager for our specialized adventure travel brand (Windigo Aventure), to help with our group operations in Western Canada.

The equipment manager is at the heart of the day-to-day operation! In constant contact with our operations managers and guides. He or she helps to make confirmed group trips a reality. Attentive to ensuring that equipment is well-maintained and in good working order, we need someone who is hard working, quick-witted, rigorous and proactive, so that the quality of our services is always assured.

What we like about you, is your commitment, keen sense of planning and attention to detail.

General Responsibilities

Job Description :

- Check and prepare equipment kits before tour departures
- Ensure proper operation and repair of equipment during the season
- Ensure pre-season trailer checks and routine inspections of all vans and trailers
- Assist guides with equipment pick-up and drop-off
- Give final instructions and reminders to guides going out on the road.
- Keep storage area clean and tidy.
- Take full inventory of equipment at the end of the season.
- Plan ahead for equipment shortages and ensure that it is restocked.
- Participate in problem-solving in the event of unforeseen circumstances.
- All other related tasks.

What we are looking for

- Boldness: everyone has a say in making Toundrigo grow.
- Enjoy working as part of a team with the Group's various divisions and collaborators
- Know how to prioritize tasks, organize, anticipate and optimize your work
- Knowledge of North American tourist areas and their attractions

TOUNDRIGO

- Attention to detail, meticulousness, sense of planning
- Resourcefulness and ability to work under pressure, especially during peak season

Requirements

- Having a vehicle to get to and from work site
- Ability to perform strenuous tasks
- Attention to detail
- Commitment to quality
- Good at working with power tools and ability to repair a variety of things
 - Bilingualism (French/English), is an asset
 - Vehicle with towing capability is an asset
 - Class 4 driver's license is an asset

Advantages

- Collaborative and stimulating work environment
- Independence during work periods
- Preferential rates with our suppliers (subject to conditions)
- Access to pro-deals with equipment suppliers

Job Summary

- Start date: April 27th
- End Date: Flexible (End of September, Start of October)
- Work schedule : Full time, 40H/week (variable over the weeks between April 27th and October 15th)
- Employment status : Seasonal
- Salary : To be determined
- Days off : 2 days/week variable days - may not always be two days in a row during peak season
- Vacation pay: 4% of yearly income
- Job location: Priddis, Foothills AB
